WINGS is a faith enhancement group that encourages spiritual growth through prayer, scripture study, spiritual exploration, life sharing and community. Women in all stages of life come together weekly to grow in their relationship with God and each other and learn to recognize their own spiritual gifts.

Affirmed and strengthened by the support of their Christian sisters and the Holy Spirit, the women of **WINGS** can better share God's love in the wider community of family, parish, neighborhood and world. Rather than being a service-oriented organization, the focus of **WINGS** is building up the Body of Christ by meeting its members' spiritual needs.
